

St. Mary's NS's Plan for Re-opening the School

Underlying Principles

- The school has a responsibility to make effort to ensure the safety, health and well-being of all members of our school community – children, parents and staff. This plan has been formulated to better ensure that the school can exercise that duty of care.
- Assuming it is in keeping with public health advice and guidelines issued by the Department of Education and Skills, it is preferable for all children to return to school for all five days of the school week and for a full school day. This plan has been formulated to achieve that aim.
- It is not possible to eliminate the risk of infection. However, with the co-operation of all members of our school community, it is possible to minimise the risk of the virus being introduced to school and the consequent risk of its spread.
- As well as **co-operation**, the **flexibility and goodwill** of all will be required to ensure the plan can be implemented.

Assumptions

- All children return to school and classes operate within a bubble system
- The school is split into 2 groups with each group having different starting times, break times, lunch times and finishing times.
- Groups will be constituted of six classes (142 children)- Group A and seven classes (164 children)- Group B
- The day will include 1 x 10 minute break and 1 x 30 minute break.
- Within each class from 3rd to 6th, the children will be further divided into pods, with a minimum distance of 1 metre being maintained between pods
- Hand sanitiser will be available at all entry points, in all class and support rooms and in the staffroom
- No whole school activities, such as assemblies, will take place
- The school will be cleaned following all government guidelines, advice and checklists daily.
- If a child becomes ill with any symptoms of Covid-19, they will be immediately cared for in an isolation area, located in the hall, where they will remain until they are collected. Children must be collected by a parent/guardian promptly. All parents/guardians are asked to ensure that their contact details are up to date.

How can parents/guardians help?

- Practice washing hands properly, with soap, for 20 seconds. Make sure your daughter also knows how to dry their hands thoroughly.
- Show your daughter how to use hand-sanitizer correctly.
- Teach your child correct cough and sneeze etiquette. Cough or sneeze into a tissue, or into your elbow if you do not have a tissue. Put the tissue in the bin and wash or sanitize your hands.
- Make sure that your daughter can independently open and close their lunchbox and bottle, their coat and their shoes. Shoes with laces are not recommended for younger children.
- Take your child's temperature before coming to school each day.
- Do not send your daughter to school if she is feeling unwell.
- Ensure your daughter's hands are clean coming to school each day.
- Ensure your daughter's uniform/tracksuit is washed after use.
- Ensure your daughter brings soap and a face cloth to school each day.
- Ensure your daughter brings her own lunch, pencil, colours etc to school each day.
- Communicate with your daughter's teacher via email.
- Make payments to school via online payment system.

St. Mary's NS's Plan for Re-opening the School

- Do not allow your child to bring unnecessary personal items, e.g. toys, trinkets etc., to school.
- Do not loiter around the school at drop off and/or collection time.
- All parents/guardians must adhere to drop off and collection times as per plan outlined below.

Arrival at school

- To help with reducing the amount of traffic around the school gates, children are asked to walk to school where possible.
- Parents/Guardians of 1st-6th Class pupils are not permitted on the school grounds. 1st-6th Class pupils should enter the school grounds independently.
- Parents of Junior and Senior Infant pupils may escort their child to the appropriate entrance door and leave promptly.
- Pupils will be greeted by a staff member on entry to the school.
- No adults, other than staff members, are permitted to enter the school building.
- Pupils should aim to arrive at the school in the 10 minutes immediately preceding their group's start time
Group A – 8.40 – 8.50
Group B – 8.55 – 9.05
- Pupils from Group B should not arrive prior to 8.55am. Pupils from Group A should not arrive later than 8.50am.
- We ask for co-operation with these times as it will mean that the numbers congregating on school grounds at any one time will be minimised.
- Pupils should proceed directly to their class via their designated entrance point at the appropriate time.

End of School Day

- At the relevant finishing times (as per Group A and Group B) the following arrangements will apply –
 - Jun Inf – 2nd Class - the class teacher will bring the children to their designated dismissal point and will release the children into the care of the adult who is there to collect them
 - 3rd – 6th Class – the class teacher will bring the children to their designated dismissal point and the children will exit the school grounds independently
- Adults collecting 3rd-6th Class pupils are not permitted to wait on the school grounds. All parents are asked to remind children each morning who is collecting them that day and where the child should meet the collector.
- Adults collecting children from Junior Infants-2nd Class should wait in the designated area as per egress plan above.
- Children and parents should leave the school grounds promptly at the end of the school day.

The above systems will apply rain, hail or shine so please make sure that your child comes to school prepared for the weather!

St. Mary's NS's Plan for Re-opening the School

Division of Yard Key:

Play Space	Location
A	Quadrangle area at bottom of steps in front of main door
B	Yard space closest to Old Building
C	Middle yard space in front of Old Building
D	Furthest yard space (closest to road) in front of Old Building
E	Yard space directly in front of steps in front of New Building
F	Middle yard space in front of New Building
G	Yard space in front of staff car park in front of New Building

Division of Yard:

- Classes will play within their own class bubbles only.
- Classes (Bubbles) have been assigned to specific play zones.
- Play zones are clearly marked in the yard.
- Classes will access play zones via blue channels.
- Classes will exit to the yard and re-enter the school as per entry and exits outlined above.
- On hearing the bell at the end of break/lunch, classes will line up (in their pods 3rd-6th) on the orange spots which are spaced 1m apart.
- Teachers will collect classes promptly from the yard.
- Classes will re-enter the school building via assigned blue channel.

Group A:

Communication between Parents/Guardians and Staff

- Under no circumstance is a parent/guardian permitted to approach a member of staff.
- All teachers will supply parents with their school email address on the first day of term via Aladdin Connect.
- Messages for teachers can be sent by email or by writing a note in the homework journal.

St. Mary's NS's Plan for Re-opening the School

Collection of Children during the School Day

If an adult has to collect a child during the course of the school day, the following arrangements will apply

- When the adult arrives at the school, they should either phone the office or use the intercom at the front door of the school to alert the office that they have arrived
- The child will be brought from their class to the adult by a member of staff
- The adult who is collecting will be asked to sign the child out
- No adult should enter the school building, unless invited to do so

Changes to Classroom and School Layout and to School Routines

The DES guidelines recognise that a common-sense approach is needed in our Primary schools. To that end, every effort will be made to limit interaction within classrooms, to limit contact between class groups and to limit the sharing of common facilities.

The children and their teachers will work in Class Bubbles. A Class Bubble is a grouping which stays apart from other classes as much as possible. The aim of the system within the school is that class groupings mix only with their own class from arrival at school in the morning until the children go home at the end of the school day.

Junior Infants to Second Class

It is recognised that younger children are unlikely to maintain physical distancing indoors so there is no requirement for children from Junior Infants to Second Class to maintain a physical distance within their Class Bubble.

Third Class to Sixth Class

Children from Third Class to Sixth Class will be arranged in Pods within their Class Bubbles, with a maximum of 6 pupils per Pod. As far as possible, each Pod will be at least 1 metre distance from the next Pod. All unnecessary furniture will be removed from these classrooms to create as much space as possible.

Special Education Support

Staff members (particularly Special Education Teachers and SNAs) can rotate between areas/classes but this will be minimized where possible. When rotation occurs, agreed sanitising routines will be observed.

In keeping with our Special Education policy and practices, special education support will be provided by a blended approach of in-class support and withdrawal. The provision of support will be organised to ensure our support teachers will work within the confines of a bubble.

Where a support teacher is working alongside a class teacher in a classroom, both teachers must be mindful of maintaining social distance from one another.

Where children from 3rd to 6th Class receive support in one of the SET rooms, social distancing of 1 metre will be maintained between each child in the group.

Special Education teachers will wipe clean the tables and chairs in SET rooms in between different groups attending.

The special education teachers assigned to classes are as follows:

Teacher	Room	Classes
Ms. O'Mahony	15	Room 10- 3 rd Class Rm 11- 3 rd Class Rm 12- 2 nd Class
Ms. O'Donovan	5	Rm 7- 1 st Class Rm 1- Senior Infants

St. Mary's NS's Plan for Re-opening the School

Ms. Downes	16	Rm 18- 5 th /6 th Class Rm 17- 6 th Class
Ms. Hanley	16	Rm 19- 4 th Class Rm 20- 4 th Class
Ms. Morris/Ms. Scanlan (Job-sharing)	8	Rm 3- Junior Infants Rm 2- Junior/ Senior Infants Rm 6- 1 st /2 nd Class
Mr. Hanrahan (Tuesdays and Thursday)	14	Rm 13- 5 th Class
Ms. Abbott (Mondays)	14	Monthly rotation between classes

Hall, Library, Computer Room

The Hall may not be used for Assemblies, Physical Education or for any other gatherings of pupils. For the present, it will be divided and used as an isolation space and for the storage of equipment.

The Library will be used as a Special Education support space. The use of the Computer room will be suspended for the first term of 2020/2021 and its use will be reviewed in January 2021.

Corridors and Stairwells

Briefly passing someone in a hall is very unlikely to contribute significantly to the spread of infection if people do not have physical contact and avoid informal group discussions. We will observe the practice of keeping to the left when on the stairs and in the corridors.

Additional Measures to Limit Interactions

Children will go straight to their classrooms from the yard and will not congregate in the corridors or hallways. While we will all be delighted to see each other again, hand shaking and hugging will not be allowed.

Doors and Windows

Where practical, all internal doors will be left open to minimise hand contact with common surfaces.

To ensure that classrooms are well ventilated, windows will be kept open as often as possible, and will be opened while children are taking breaks in the playground.

Windows should be opened when children are singing as a group, or when they are playing musical instruments. Recorders/tin whistles should not be shared between pupils.

Lunches

Parents should ensure that children bring their lunches to school each morning to avoid adults having to come to the school during the day. Please remind your child not to share their food or drinks with other children. Children will eat their lunches at their desks, as per our usual practice.

Books, Copies, Pencils, etc.

Children should use their own books, pens, pencils, etc. and as far as possible should not share with other pupils.

Uniforms/Tracksuits

We will follow our usual practice in relation to uniforms and tracksuits. Uniforms should be worn every day, except on P.E. days, or when otherwise requested by teachers.

As a school we strongly advise that children should wear their school uniforms or tracksuits **only for school related activities.** Uniforms or tracksuits should be taken off straight after the child arrives home from school for the day. They should not be worn in after-school facilities, shops, during after-school activities, etc.

PE

PE will take place outdoors and use of equipment will be confined to the sets that will be distributed to class groupings.

St. Mary's NS's Plan for Re-opening the School

Assemblies

Weekly school Assemblies will be held via Zoom commencing in October.

Extra-curricular/After-School Activities

The possibility of facilitating extra-curricular activities will be explored. However, it would not be recommended that children from different bubbles would participate in extra-curricular activities at the same time. The staggered finishing times will also make the scheduling of after-school activities problematic. Further updates will be provided as the situation evolves.

Office

A contactless payment system has been set up to minimise the amount of cash that needs to be handled. Parents/Guardians are asked to co-operate in helping to keep school staff safe by arranging for contactless payments via the Aladdin Connect system.

Children should not be sent to the Secretary's Office or to the Principal's office to deliver messages.

As far as possible, staff members should not enter the Office area and should speak with the Secretary by phone or by email only.

Bathrooms

- All classrooms in the New Building have bathroom facilities within each room. Pods will be assigned to specific cubicles and basins.
- Rooms 10,11, 12 and 13 share bathroom facilities downstairs in the Old Building.
- Rooms 17,18,19 and 20 share bathroom facilities upstairs in the Old Building.
- Sanitary bins will be available in cubicles for classes 4th-6th.
- In the Old Building:
 - Only one child will be permitted to leave her classroom at a time to attend the bathroom.
 - Cubicles and basins will be assigned to specific classes.
 - Only one pupil will be permitted to enter the bathroom at a time.
 - A Stop and Wait sign will be displayed to remind children that they should only enter the bathroom area when the bathroom area is vacant.
 - Physical distancing reminders when queueing to use the bathroom will be evident on the ground. A maximum number of 3 pupils will be permitted to wait to use the bathroom at any one time.
- Children will not be permitted to use the bathrooms during break times. Children will be encouraged to use the bathrooms before break times.
- The bathrooms will be cleaned daily while the children are on yard. (10.45-11.15am)
- Windows in bathrooms will be open to aid ventilation.
- Children must bring their own wash bag containing soap and a clean face cloth to the bathrooms.

Coats

Children from 3rd-6th Class will be asked to keep coats on the backs of their chairs or place them in their school bag. Children from Junior Infants-2nd Class can hang their coats on coat hooks as per our usual practice as there is no requirement for social distancing in these classes.

Substitute Teachers and SNAs

A copy of the Covid-19 Response Plan will be provided to each substitute teacher/SNA. Substitutes will be required to complete a Return to the Workplace form before they enter a classroom and will be asked to confirm that they have engaged in the online Induction training.

St. Mary's NS's Plan for Re-opening the School

Teaching and Learning

As a staff, we are very aware that the children have been away from school since March 12th. We appreciate the time and effort that went into Home Learning, and we recognise the challenges that Home Learning presented for all families.

Each child will be in a different place in relation to her learning, and we wish to assure you that staff will take that into consideration when planning for Teaching and Learning during the 2020/2021 school year.

The Department of Education and Skills has published Curriculum guidelines for us, and we ask you to trust our experience and professional expertise as we work with all the children during the return to school.

Homework will not be assigned to any class until at least the week beginning 21st September.

Wellbeing of the School Community

We will work on the recommended five principles to support the wellbeing of all our pupils and staff. These are promoting:

- A sense of safety
- A sense of calm
- A sense of belonging and connectedness to school
- A sense of self-efficacy and school-community efficacy
- A sense of hope

Our usual practice is to provide support to pupils based on what is known as the Continuum of Support. This is a tiered system that provides Whole School and Classroom Support for all pupils, additional School Support for some pupils, and School Support plus extra targeted intervention for a few pupils with complex needs.

Masks

The children are not required to wear masks or face coverings. The guidelines recommend that staff wear a mask or face shield when a 2m physical distance cannot be maintained.

Gloves

There is no need for the children to wear disposable gloves. They are considered inappropriate under the guidelines.

Staff members do not need to wear disposable gloves unless they are looking after a pupil's intimate care needs or administering First Aid.

There will be an emphasis on hand hygiene rather than on the wearing of disposable gloves.

Hygiene and Cleaning

26 sanitiser dispensers have been installed throughout the school e.g. at each entrance, in each classroom, in the staffroom. Warm water and soap is available in all the bathrooms. Hand hygiene will be promoted and encouraged, and parents/guardians are asked to support the school in reinforcing this message.

In accordance with the DES guidelines, the school will be thoroughly cleaned at least once per day. Particular attention will be focused on frequently touched surfaces – door handles, handrails, communal eating areas, sink and toilet facilities.

All staff will have access to cleaning products and will be required to maintain cleanliness of their own work area. Under no circumstances should these cleaning materials be removed from the building. Staff should thoroughly clean and disinfect their work area before and after use each day.

Waste will be collected daily from classrooms and other areas within the school.

St. Mary's NS's Plan for Re-opening the School

Staff must use and clean their own equipment and utensils (cup, cutlery, plate etc.)

Dealing with a suspected case of Covid-19

Pupils should not attend school if displaying any symptoms of Covid-19. If a pupil displays symptoms of Covid-19 while in the building, the following are the procedures will be implemented:

- Parents/guardians will be contacted immediately
- The child will be accompanied to the designated isolation area by a member of staff. The staff member will remain at least 2 metres away from the symptomatic child and will also make sure that others maintain a distance of at least 2 metres from the symptomatic child at all times
- A mask will be provided for the child presenting with symptoms, if one is available. She should wear the mask if in a common area with other people or while exiting the premises.
- The child presenting with symptoms should be advised to cover their mouth and nose with the disposable tissue provided when they cough or sneeze and to put the tissue in the waste bag provided
- If the child is well enough to go home, the school will arrange for them to be transported home by a family member, as soon as possible, and advise them to inform their GP by phone of their symptoms. Public transport of any kind should not be used
- If they are too unwell to go home or advice is required, the school will contact 999 or 112 and inform them that the sick child is a Covid-19 suspect.
- Arrangements will be made for appropriate cleaning of the isolation area and work areas involved.

The HSE will inform any staff/parents who have come into close contact with a diagnosed case via the contact tracing process. The HSE will contact all relevant persons where a diagnosis of COVID-19 is made. The instructions of the HSE should be followed.

Children who should not attend school

If your child is in one of the following categories, **they should not attend school** –

- Children who are generally unwell
- Children who have been diagnosed with Covid-19
- Children who have been in close contact with a person who has been diagnosed with Covid-19
- Children who have a suspected case of Covid-19 and the outcome of the test is pending
- Children who have been in contact with a person who has a suspected case of Covid-19 and the outcome of the test is pending
- Children with underlying health conditions who have been directed by a medical professional not to attend school
- Children who have returned home after travelling abroad and must self-isolate for a period of 14 days

Supporting the Learning of Children who cannot attend school

Where a pupil cannot attend school for an extended period of time, due to medical reasons which have been confirmed by a doctor, parents should inform the principal and a plan will be formulated whereby a support teacher will work collaboratively with the class teacher and will suggest activities to support your child's learning at home.

Impact of a Suspected or Confirmed Case of Covid-19 in a Class

If the school is notified that a person in your child's class has a suspected or confirmed case of Covid-19

- The parents of all children in the class will be notified
- Public health advice will be sought and followed

St. Mary's NS's Plan for Re-opening the School

Personal Equipment

- It is requested that all children bring their own pens, pencils, colours, rubbers, etc., to school in their own pencil case to avoid the sharing of equipment.
- It is further requested that all items have the child's name on them for ease of identification.
- All children should bring a small bottle of liquid soap, a small bottle of hand sanitizer and a face cloth to school for the drying of hands after handwashing. **Face cloths should be changed daily.**

Shared Equipment

By necessity, some classroom equipment needs to be shared including i-Pads, the equipment used for structured activities (e.g. for PE) and play materials in Infant classrooms. Cleaning of such shared equipment with wipes or other cleaning products will take place at regular intervals to minimise the risk of the spread of infection.

Yards

Much work has gone into dividing the yard into play zones. Each bubble (13 classes) will have access to the yard during their allotted break times. See plan above.

Yards will be supervised by class teachers, special education teachers and SNA's working with those groups.

PPE

Face coverings should be worn by staff when it is not possible to maintain a physical distance of 2m. Staff who are attending to particular care needs or who are administering first aid will wear appropriate PPE including gloves and face masks. Hand sanitizers are located at all entry/exit points, in all classrooms and in the staffroom.

Teacher Absence and Substitution

In the event that a teacher is unable to attend school, every effort (as per circular 45/2020) will be made to secure a substitute teacher for the class. If a substitute teacher is not available, classes will not be divided into groups and accommodated in other classes. In such circumstances, it may not be possible for the class to attend on that day. If that is the case, as much notice as possible will be given to parents. All parents are asked to ensure their contact details and those of emergency contacts are up to date.

27th August, 2020

As per tradition all classes will finish early on the first day of term. The following is the plan outlining starting and finishing times for **Thursday, 27th August.**
